Jersey Number (please provide 3 choices): _____

Last year's jersey # _____

****Every effort will be made to provide each player with his or her first choice of numbers.**

The organization's intent is to provide a number that can remain with the player as he or she moves from one level to the next. If all three numbers are already taken, the equipment manager will select a number.

- Two jerseys (home and away) are provided with this order.
- If your child needs game socks, please contact me for pricing. If enough orders are placed for socks (at least 10), I can get special bulk pricing.

Checks should be made out to **Bay State Youth Hockey**. Please be sure to fill out the check for the correct amount and include it with your order. Your jerseys cannot be ordered without payment. There will be a \$20 returned check fee. **Please mail this completed form and check to:**
